

## Supra

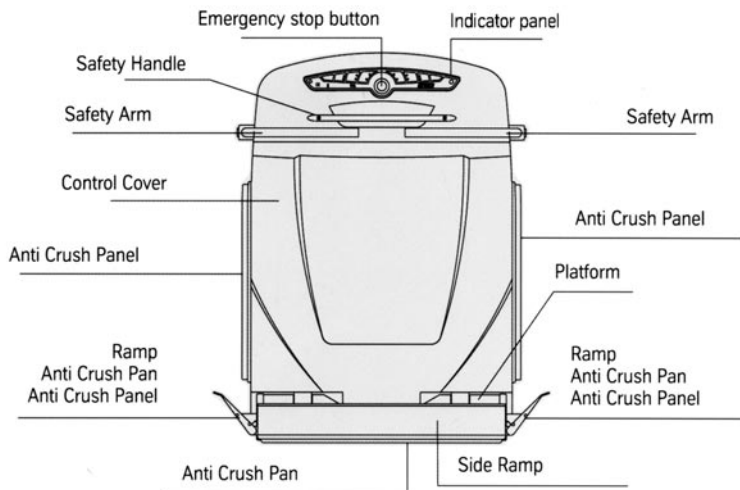

## Inclined Platform Lift for curved stairs

The Supra curved inclined platform lift provides you with innovation in design, safety and reliability. Supra has soft colours, rounded shapes and folds flat when not in use leaving space for other stair users.

*Key features include:*

- Lift can travel with arms in the down position, minimising headroom required.
- Ramp has anti-crush pan.
- Indoor and outdoor use.
- Range of platform sizes available.
- Radio remote control.
